To our dearest Coven's and Groups,

It is that time of year again when we speed up on the planning of Pagan Pride Day. This years Pagan Pride Day is on September 15th and 16th with the venue yet to be determined. We come to you today on behalf of the Northern Nevada community to invite you to participate in Pagan Pride Day. You have supported us over the past 5 years diligently and we are asking you to do so again. This year may not be as big as last year but this year we are working just as hard and hope that you want to be a part of a combined community event that comes from the heart.

If you would like to participate in Pagan Pride Day please fill out the form and send it to Kelley King at the address listed below.
